SPARTAN '64

**PUBLISHED BY
THE ANNUAL STAFF**

**PACIFICA HIGH SCHOOL
PITTSBURG, CALIFORNIA
1963-1964**

DEDICATION

DR. WAYNE HENDERSON

The person to whom we dedicate this yearbook could be considered a symbol of the theme of the Spartan '64—Leadership.

For the past nine years this person has worked along side of the students and faculty to make Pacifica a school of which to be proud. During his time here, Pacifica has grown in size, with the addition of a new wing and tennis courts, and in enrollment, which now exceeds 800. Without his firm hand to guide her, Pacifica might still be the small, unpolished school she was in 1955.

His pride and devotion to Pacifica far surpass that of any other single person. He has always been the "Spirit of Pacifica." When the students' spirits were down they could always turn to him for inspiration and encouragement. He has always spurred out teams on to athletic victory. His own personal interest in athletics has kept him physically fit and given him the stamina to stay abreast of the best in his field. However, his interest in the scholastic attainment of Pacifica's students has kept him mentally alert to the students who have achieved high scholastic ratings. The scholastic education of the students is by far his most captive interest.

He has been a "challenge" for Pacifica. He has worked hard and long and he has set forth an excellent example of leadership and citizenship. By his deeds and actions he has presented a challenge to every student to better themselves and their school.

He has been the "man behind Pacifica" for the last nine years. Through acceptance of responsibility and sheer devotion he has gained the respect of every student, teacher and parent.

This person is truly a leader and this book is a tribute to him for the wonderful person he has been and for the marvelous work he has done.

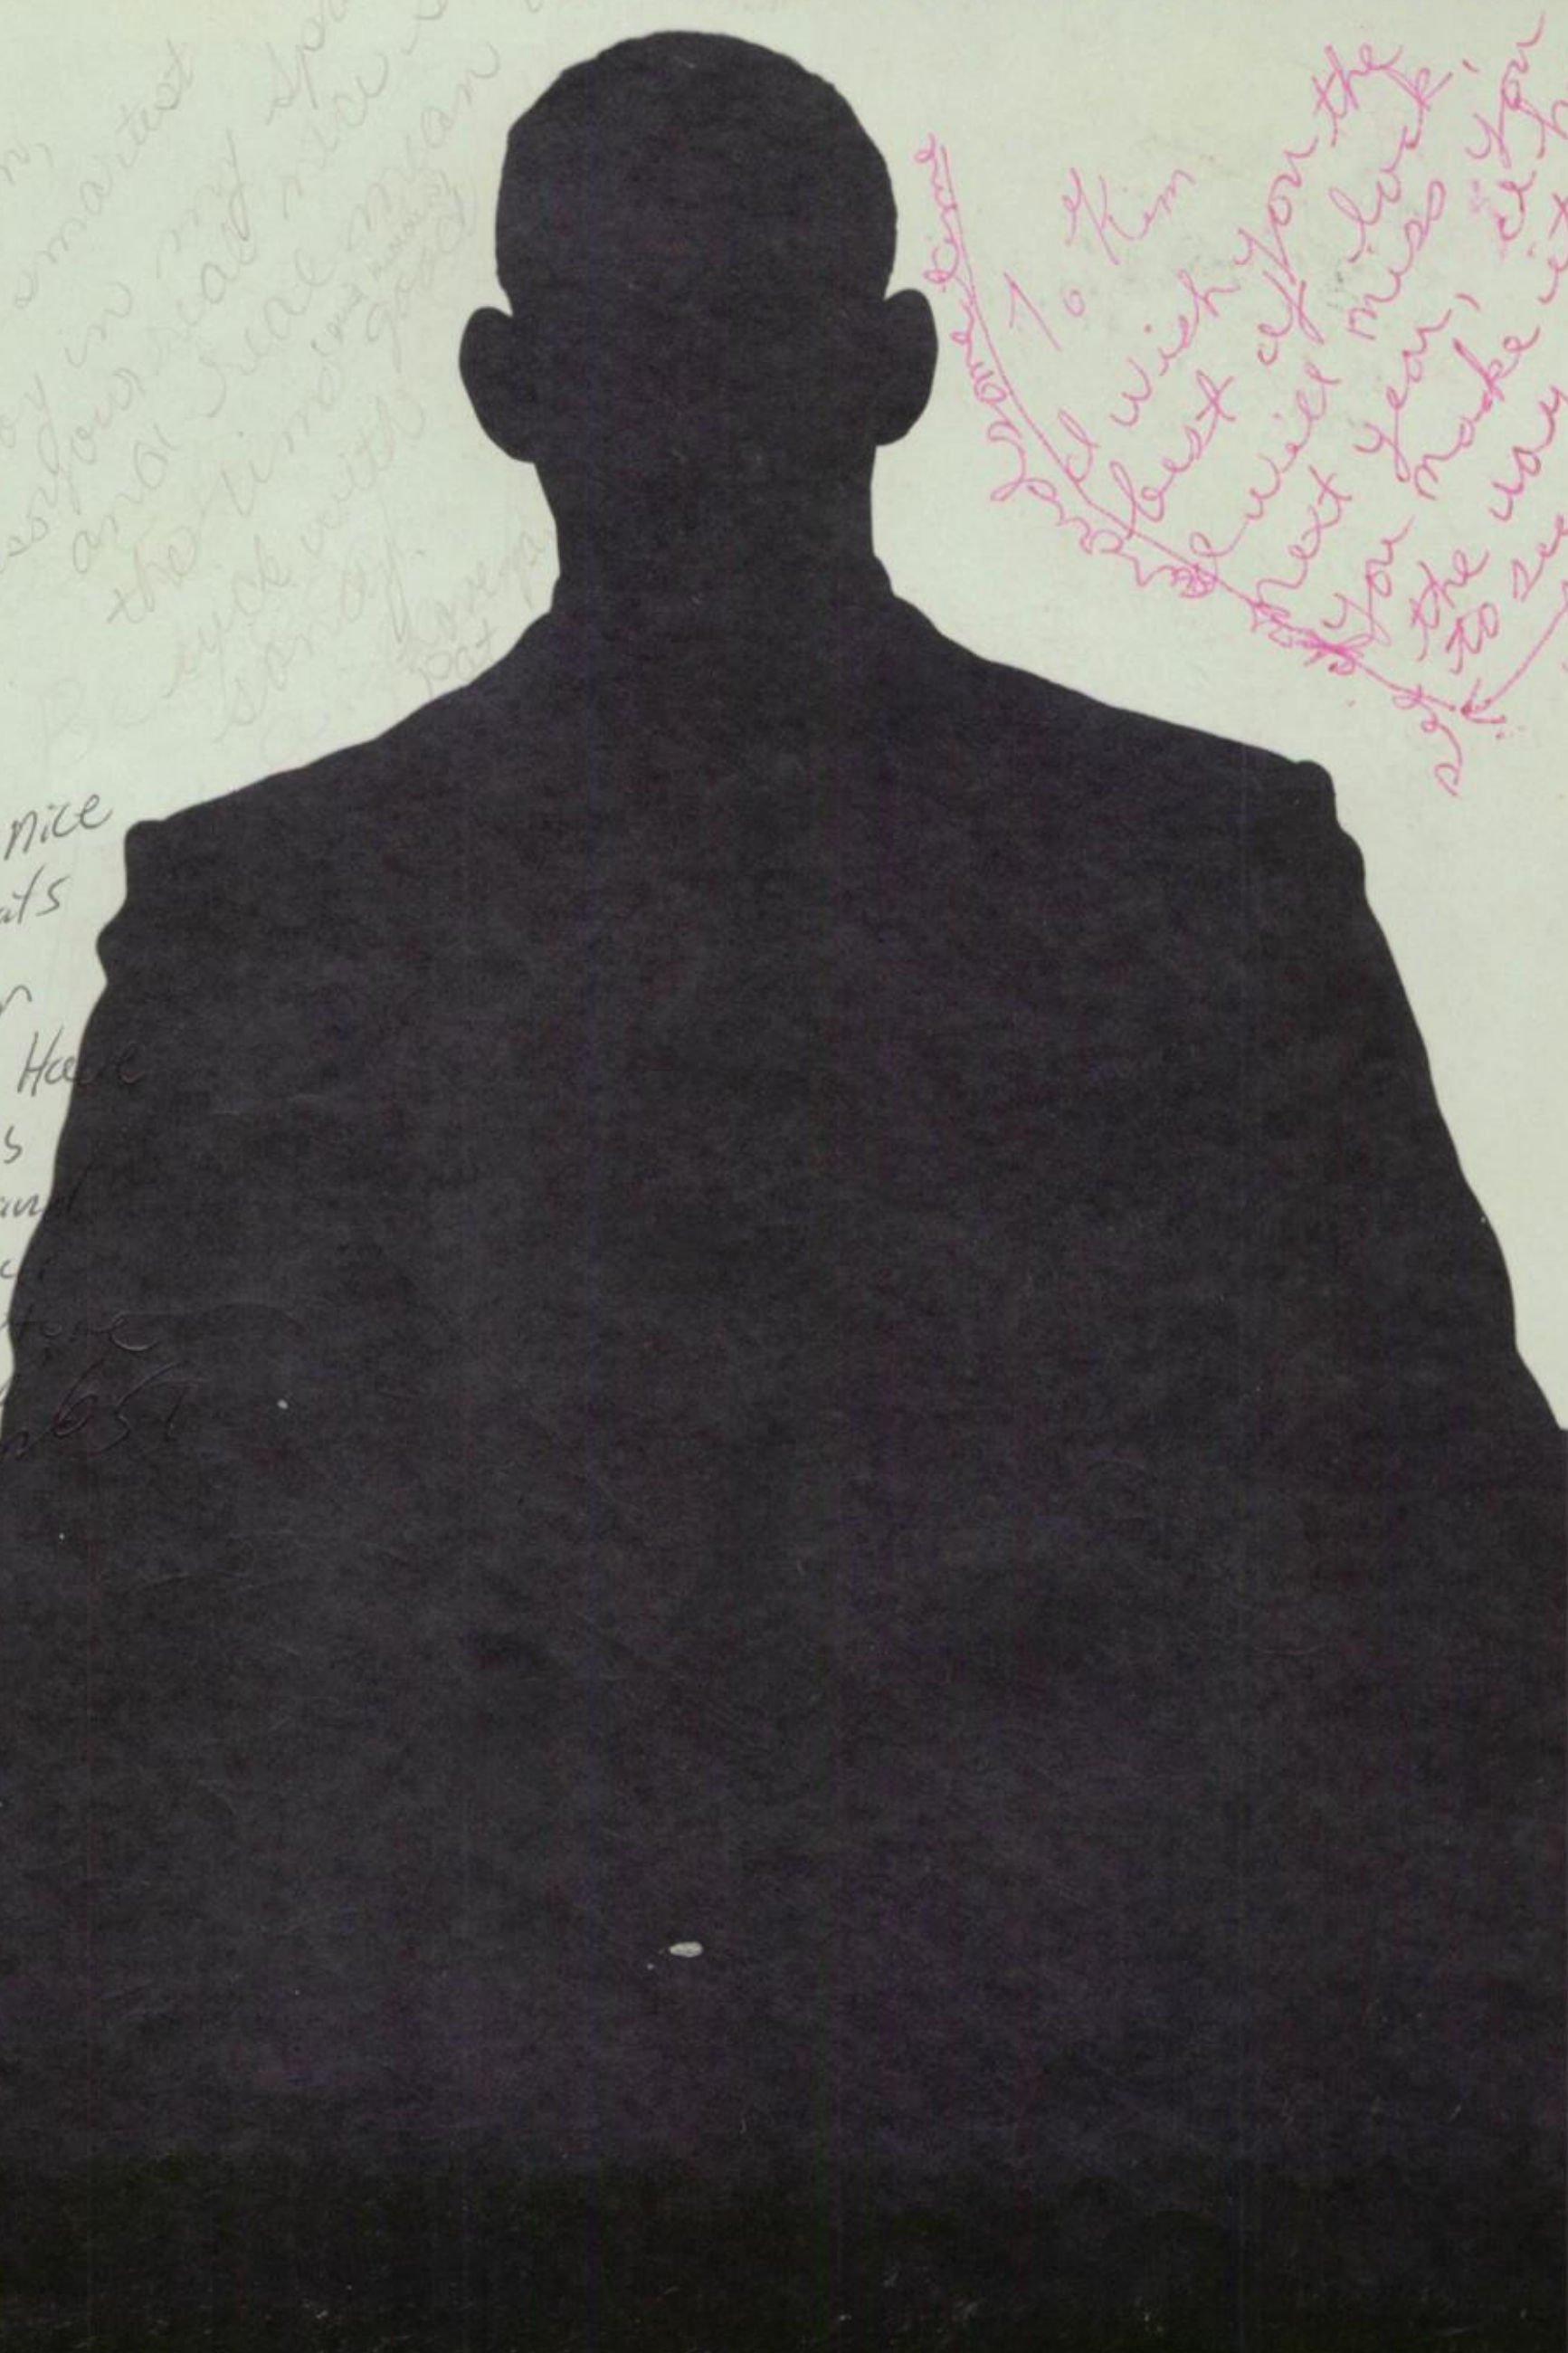

The Spartan Staff dedicates the Spartan '64 to DR. WAYNE HENDERSON.

BOARD OF EDUCATION

James W. Dent
District Superintendent

District Superintendent James Dent is employed by our parents to coordinate the activities throughout this school district. As such a coordinator he and our own Dr. Henderson work closely to insure the constant stability of the educational environment here at Pacifica.

Dr. Martin
Board President

The American system of government is based on the election of representatives by the people. The members of the School Board are elected by the voters of this district to control the activities within its boundaries and to make the voice of the people heard.

Mr. Lavinder
Board Member

Mr. Larson
Board Member

Mrs. Lloyd
Board Member

Dr. Johnson
Board Member

PARENTS' CLUB EXECUTIVE BOARD

The Executive Board of the Parents' Club is a planning, organizing, and implementing group within the Parents' Club. It is the efficient leadership of this hard-working and dedicated group that is primarily responsible for the effectiveness of the Parents' Club. Their many services to the school and student activities are indispensable to our extensive program. We extend to the Executive Board our many thanks for their great help in making the school year a successful one.

AMERICAN FIELD SERVICE

For the first time in its history Pacifica High School entered into the American Field Service Program. Basically the program was organized to bring foreign students to our country for the purpose of cultural exchange. Mrs. Bogart, the American Field Service Area Representative, worked with Dr. Henderson and Mrs. O. W. Green to organize our program at school. After a parent committee was selected from the Parents' Club it worked to bring our foreign exchange student to us, Hong Neo Wee.

Mrs. O. W. Green

Mr. James Roos

DISTRICT PERSONNEL

In the field of education there are many people behind the scenes who receive little credit for their hard work. The people in the district offices are very rarely seen by the students but they are there helping to give us a good education and make us well-rounded individuals. Some of these people are pictured here. Pacifica's students are perhaps more familiar with Mrs. Backlund, Mr. Wight and Mr. Morris, because they visit the school weekly. Also listed among these people is our own school nurse Mrs. Grande who is indeed a dedicated individual. Our thanks go to these individuals for a fine job.

THE ADMINISTRATION

The ADMINISTRATION of Pacifica High School has made this year a pleasant and profitable one. They have given us a feeling of success. This we've gained from all school experiences, from classroom sessions, from extra-curricular activities, from school social affairs. We have learned to understand our responsibilities and plan our future. With the help of our able administrators we have been inspired to perform at our best. As the school year ends, we feel deeply grateful for their untiring efforts.

COUNSELORS

A student at one time or another needs the advice or assistance of a counselor. This year the counselors of Pacifica High have performed important tasks which have helped our students concerning their education, vocational and personal problems. On behalf of the Student Body we express our appreciation to the counseling staff.

FOREIGN EXCHANGE STUDENT — HONG NEO WEE

The Youngs met Hong Neo first.

Student Council went to meet Hong Neo at Stanford University.

For the first time in her history Pacifica High School had a Foreign Exchange Student. Her name was Hong Neo Wee and she was from Singapore. This was a new experience for the student body and they were eager and excited to have her with them. Hong Neo was met at Stanford University on August 31, 1963 by the Youngs and members of Student Council. On the first day of the school year everyone was interested in seeing their new guest and Hong Neo made many new friends the first day. From then on Hong Neo fit right into the normal routine. She was a great addition to our student body and everyone was proud to have her there. Hong Neo was brought to us through the aid of the American Field Service Chapter in the community.

Guess who Hong Neo's first new friends were?

Hong Neo and traveling companions from Singapore

Hong Neo always seemed to enjoy herself—even at lunch.

Dr. Henderson was indeed proud to have Hong Neo at Pacifica.

Mike and Ranate before Assembly.

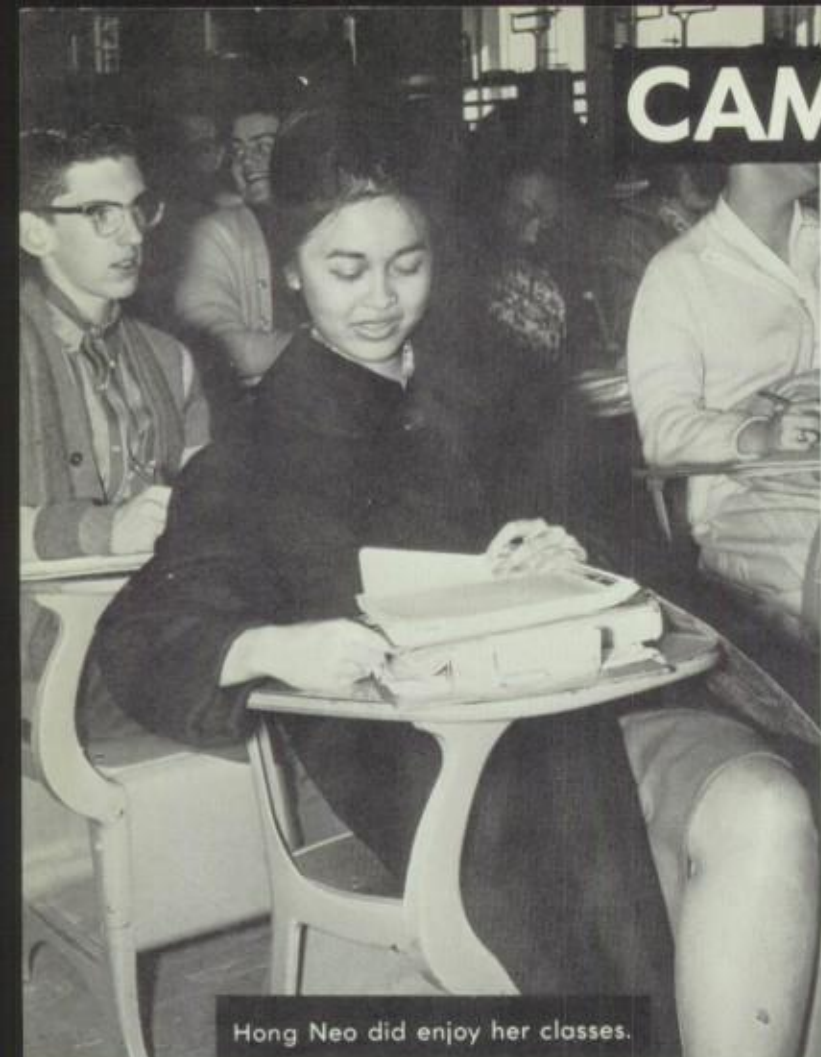

Many times Hong Neo had to leave school for speaking engagements at other schools.

During her stay here Hong Neo had one more exchange. This time she went to Kathryn Delmar Burke School in San Francisco and we received Ranate Muessig in her place. Pacifica enjoyed Ranate's stay very much. Ranate was a guest in the home of Mr. and Mrs. Zwakenberg and during her week's visit attended classes with some of the seniors. Below, she is being greeted by Mike Arnold, Student Body President.

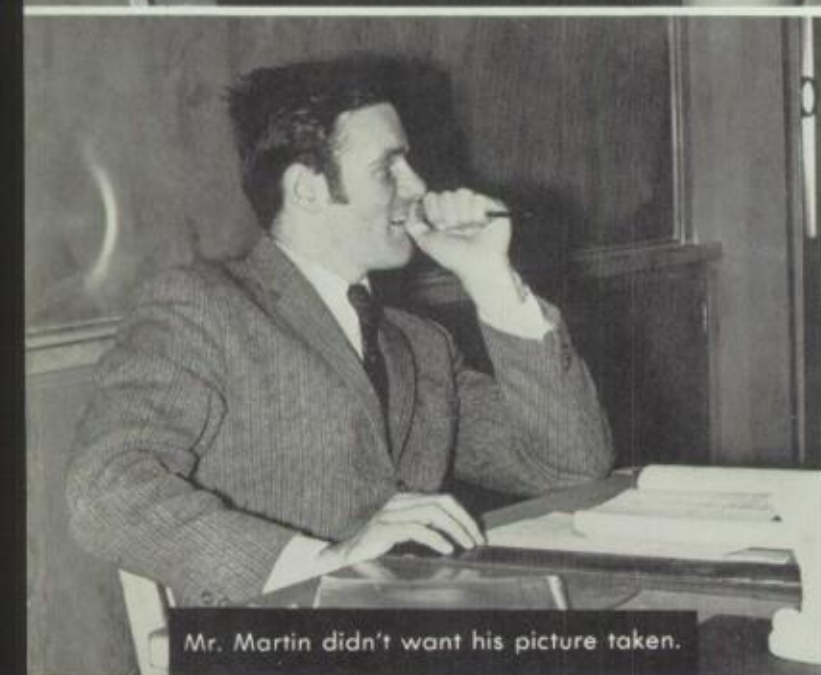

CAMPUS HI-LIGHTS

Hong Neo did enjoy her classes.

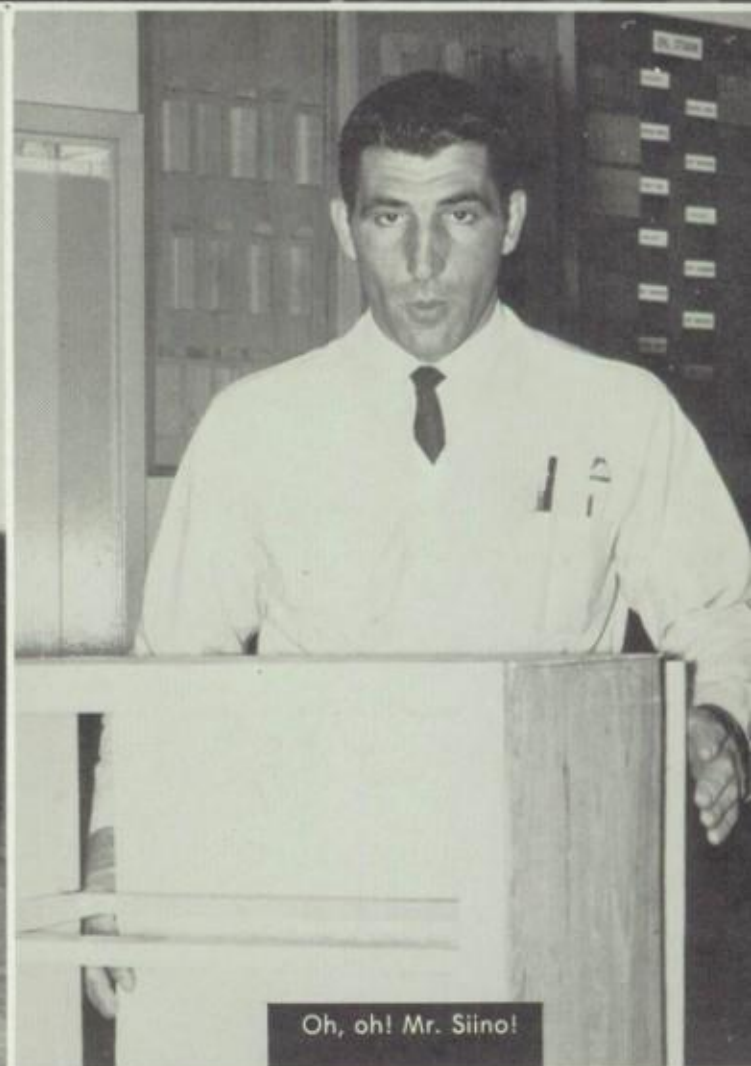

Remember the Mardi Gras?

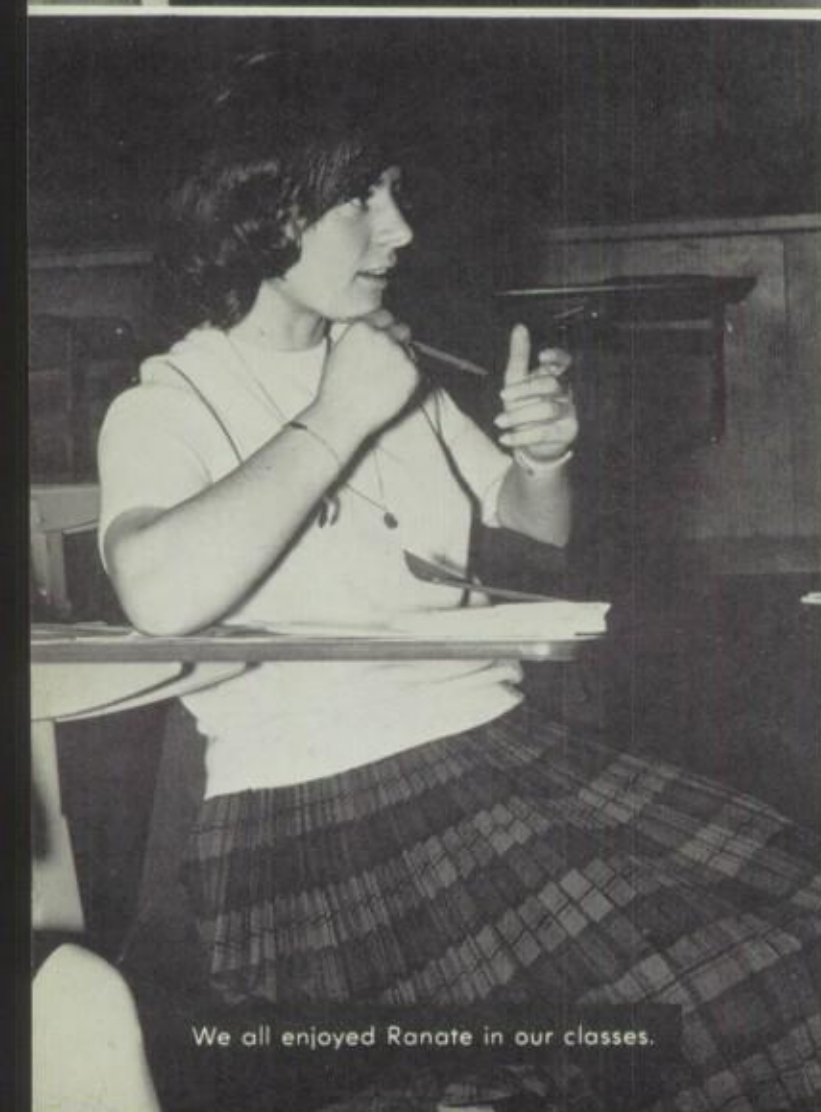

Mr. Martin didn't want his picture taken.

I love it!

Oh, oh! Mr. Siino!

We all enjoyed Ranate in our classes.

What's up Kay?

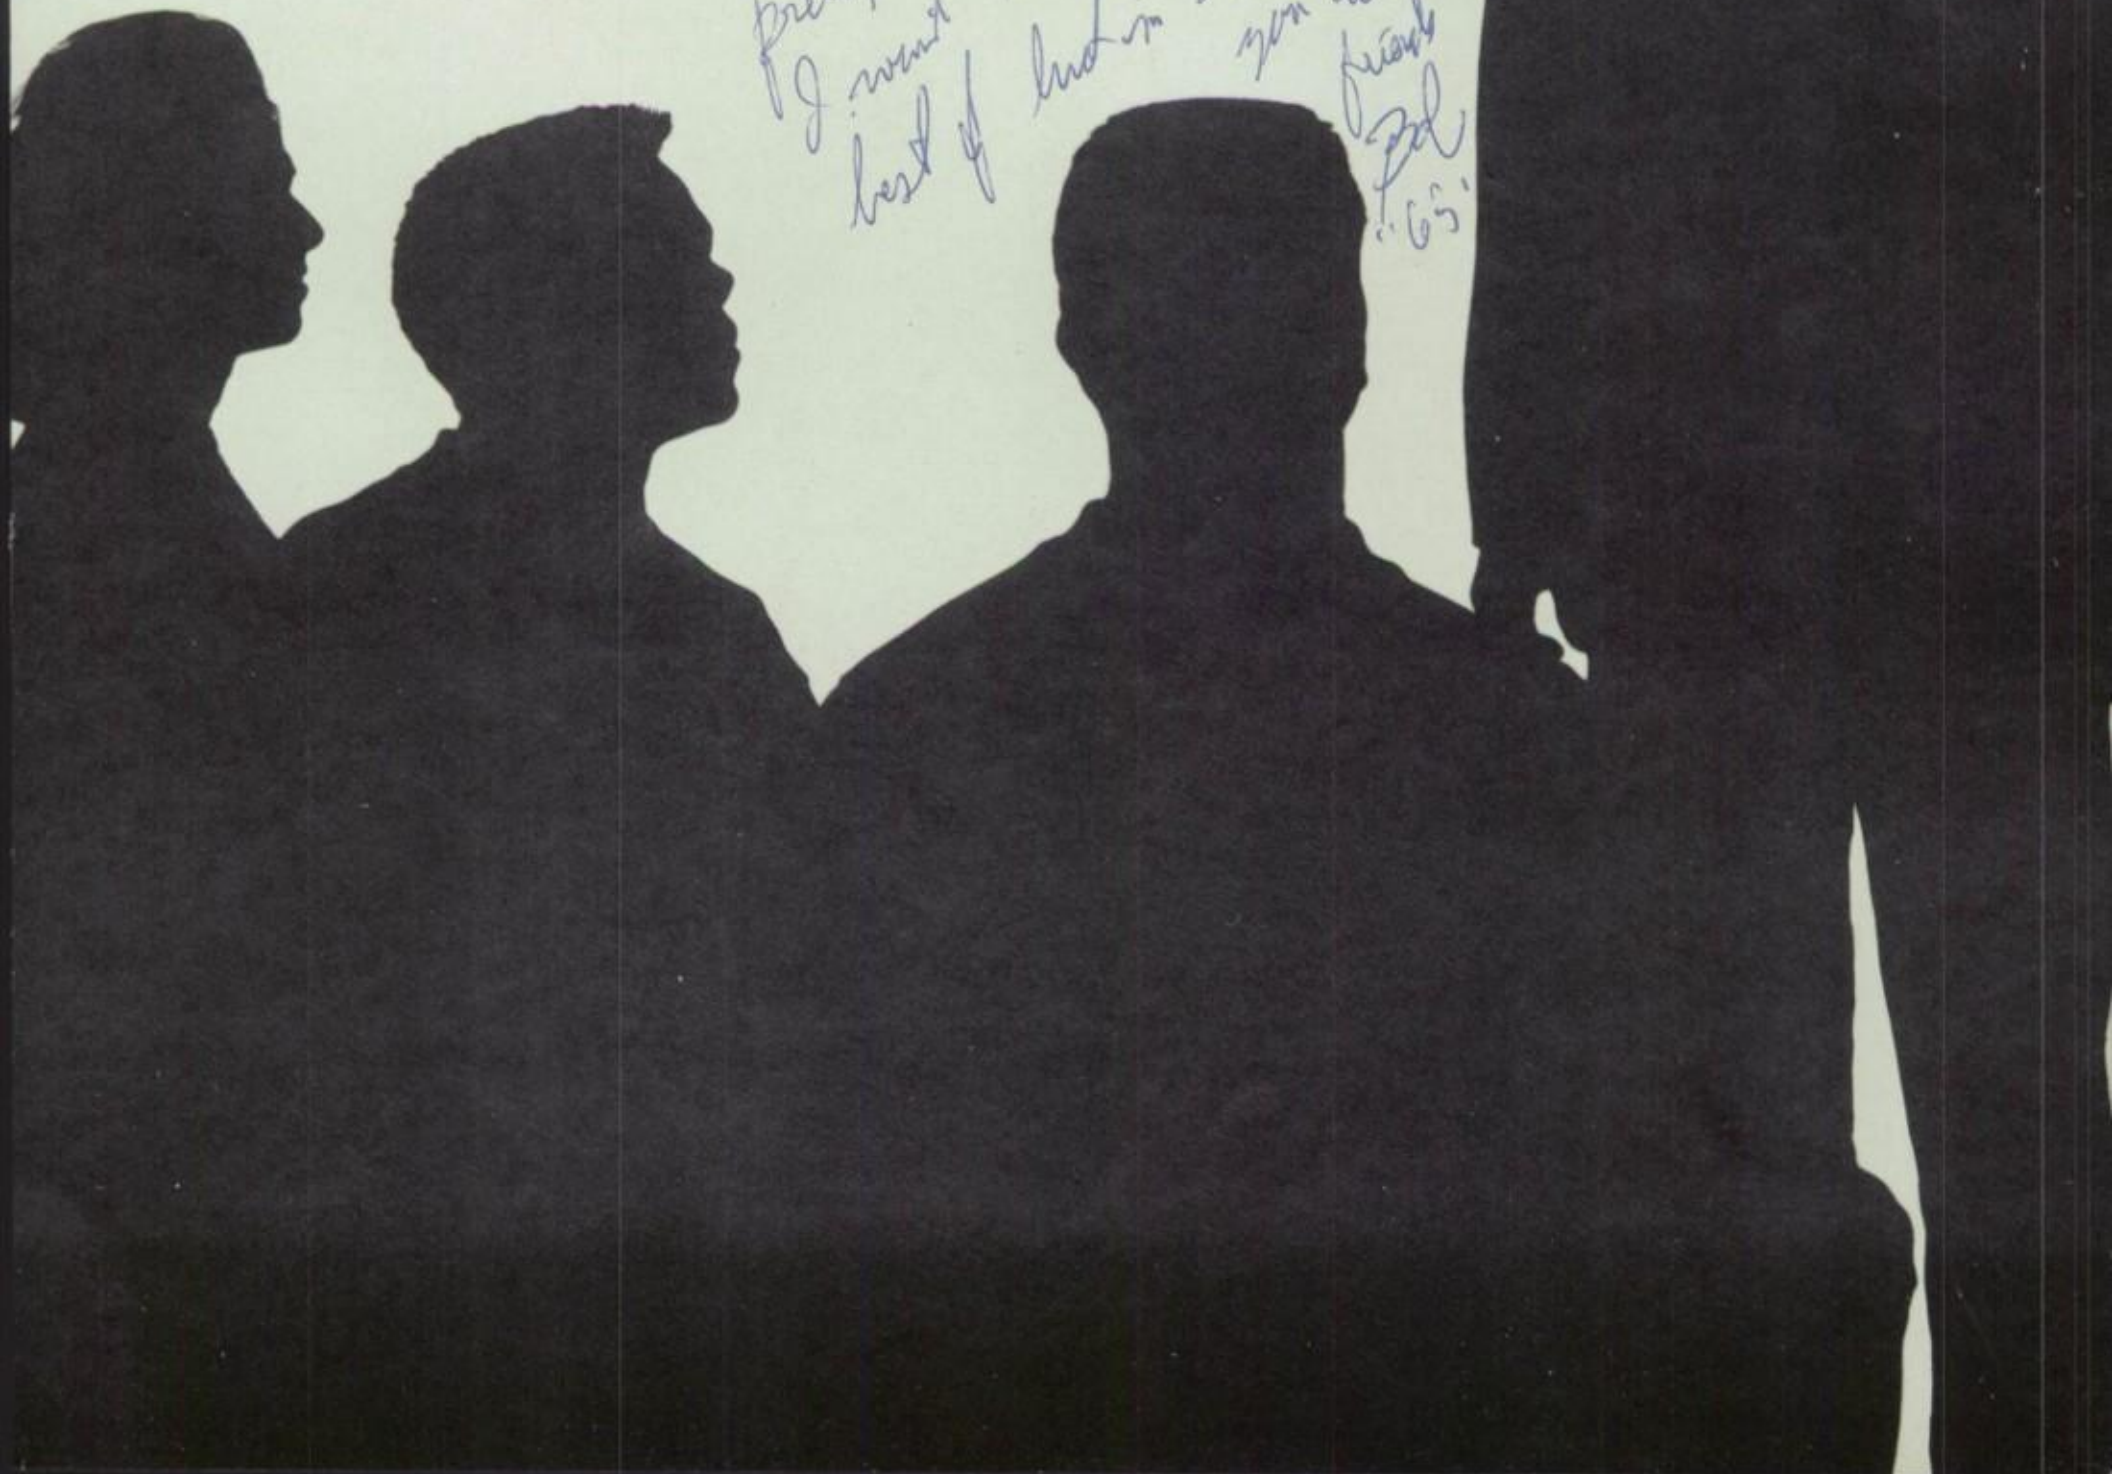

Mrs. Hallisey always looked like a China doll!

"... to foster high standards among the girls." This is the purpose of Pacifica's Girls' League. The organization is composed of all the girls at Pacifica. This year under the leadership of Kay Carney and Barbara Sanchez, Girls' League assisted in Frosh Orientation, participated in the County Leadership Conference, prepared a Christmas and Easter Basket and sponsored the Junior-Senior Tea.

BOYS' FEDERATION

"To provide experience in leadership and to render service to the school and the community." This is the purpose to which Boys' Federation is dedicated. Their annual project is to take a Christmas tree and cards to the children at Pittsburg Hospital.

L TO R: Morris Coleman, Joe De Torres, Dave Arciniega—First Semester Boys' Representative, Mike Lopez, Johnny Gaines.

JUNIOR GIRLS' LEADERSHIP CONFERENCE

"We're Asilomar sisters, yes Asilomar sisters." This is the first line of the theme song that these girls know so well. Asilomar—The Junior Girls Leadership Conference held annually at Pacific Grove, California—a conference of which these girls are so very much a part. Last year when Pacifica went, they ran for the office of President and were elected. This of course was an honor and quite a responsibility, for they planned the conference our junior girls attended.

GIRLS' STATE BOYS' STATE

When the Curriculum Committee was asked to select the outstanding junior boy and girl to serve as Pacifica's delegates to the coming sessions of Girls' and Boys' State there were many good possibilities and after much deliberation Karen Prater and Jack Garrett were chosen.

SPARTAN '64

STAFF

We hope that our theme "Always Leading", will challenge you as it has challenged us. Each staff member had his chore:

Rolls of film, miles of scotch tape, hundreds of sheets of dummy paper, and finally, as the end approached, bottles of tranquilizers were his constant companions. Only through individual ingenuity and effort, was the task fulfilled.

At last it is finished. For a year the book has belonged to us and it shall always be a part of us. We know the story behind every picture and each piece of copy. But now we present it to you, the students of Pacifica High School. It is your book filled with the memories of the wonderful year of 1963-1964. We hope you will like it.

The girls' teams travel to other schools for playdays and sportsdays and a good time is always had by all. This year GAA had two new sponsors, Miss Allen and Miss Chase who were particularly active and did a fine job.

JV FOOTBALL

This year's Junior Varsity Football Team had the best season in Pacifica's history. Next year, when these boys move up to the Varsity, we should be looking for a lot of action from the team. The experience and excellent coaching they received was the result of hard work and dedication on the part of Coaches Sal Siine and Bob Easter.

FROSH COACHES: Lee Pezzola and Bob Lopez.

The first thing the freshmen boys heard when they entered PHS's hallowed halls was, "Come out for Frosh football!", which many of them did. Like most of their first high school activities, participation on the team was exciting and next year when Mr. Lee Pezzola and Mr. Bob Lopez's prodigees graduate to the J. V. team, they'll find it just as much fun.

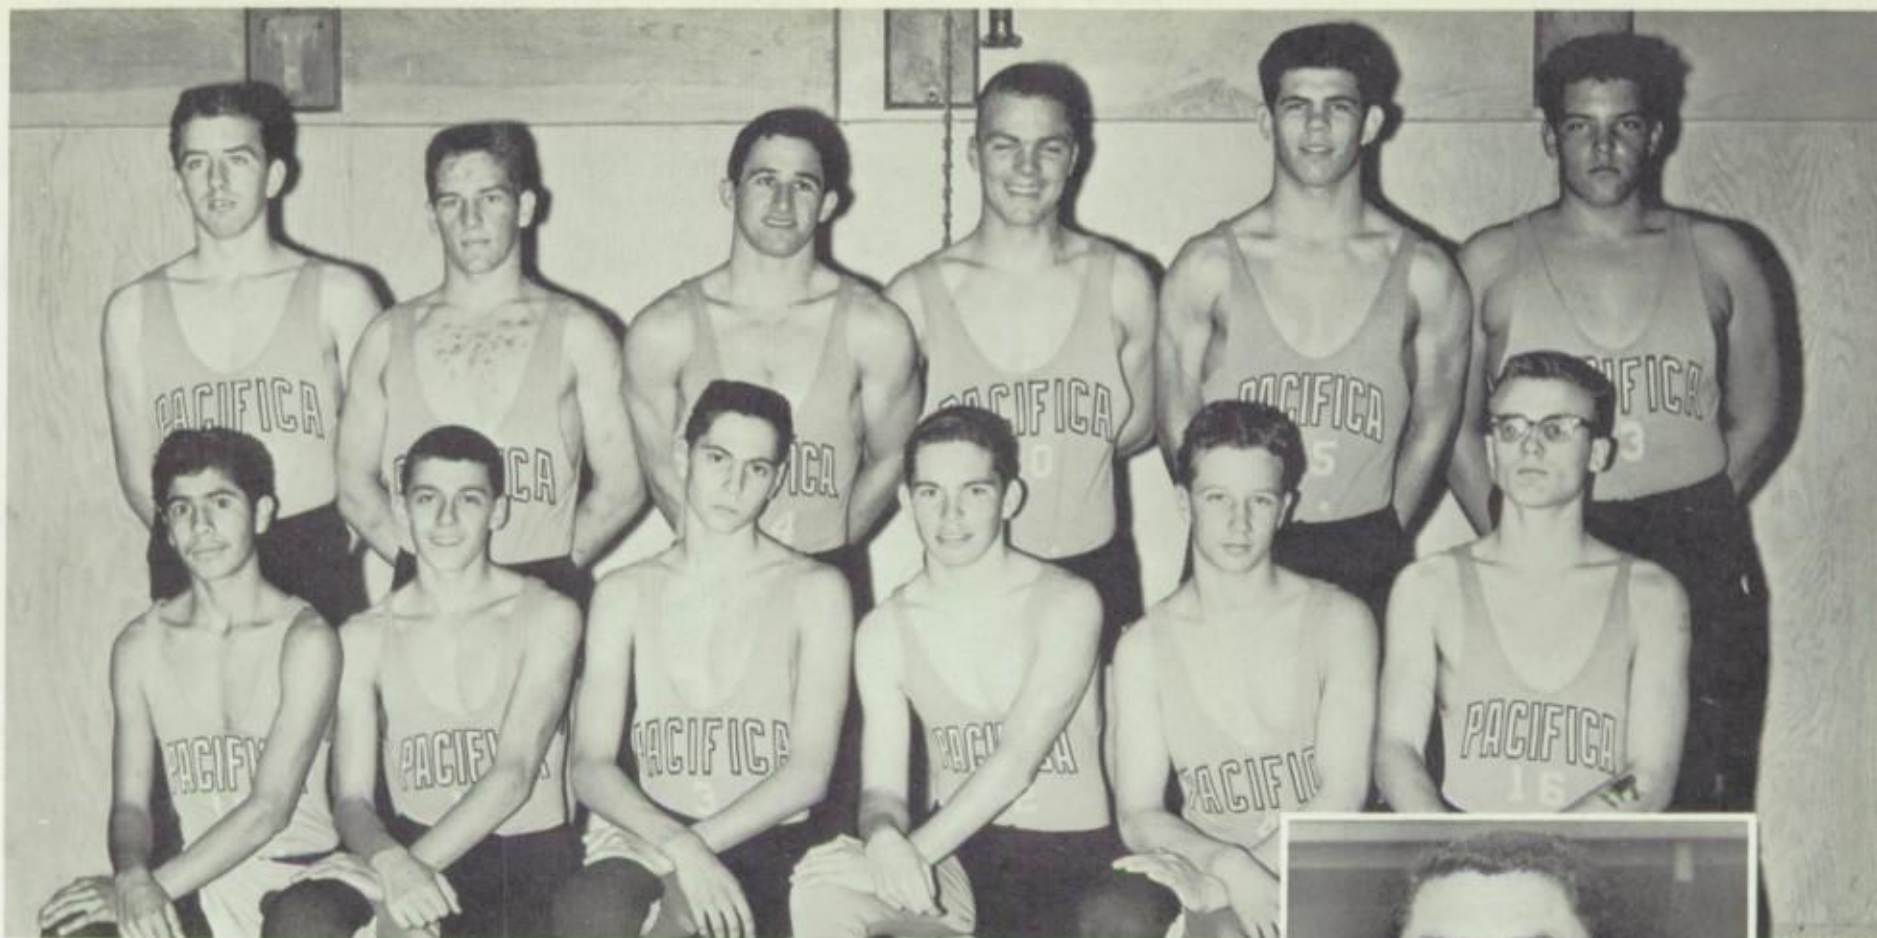

J. V. COACHES: Sal Siine and Bob Easter.

Varsity Wrestling—KNEELING, L to R: Jesse Valenzuela, Len Curcuruto, Bill Siino, Jim Arnold, Mike Taylor, Bill Phillips. ROW TWO: Larry Welch, Bill Schmidt, Ned Castillo, Ron Crawford, Len Costa, Tim Kopitar.

WRESTLING

Wrestling is a team sport, but unlike most other sports, places more emphasis on the individual. To be successful in wrestling requires quick thinking, a thorough knowledge of holds, speed and agility. Wrestling this year provided a high point for Spartan wrestlers when Pacifica hosted the Japanese National High School Champions in an exhibition match in our own gym. In these matches, the skill and ability of all were tested and our wrestlers ably represented us. Coming very close to winning several matches, the evening provided real excitement for everyone concerned, including the wrestlers.

STANDING: Art Blakney, Larry Zwakenberg, Dennis Alumbaugh, Tom Hutchinson, Mike Lopez, Bob Butterfield, Mr. Walker, Coach.

Under the direction and example of Coach Gil Walker this Junior Varsity Basketball Team received the experience needed to become good Varsity players. Their constant desire to do better and the methods by which they accomplished this are an inspiration to us all.

FROSH BASKETBALL

The Frosh Basketball Team was composed of young boys with outstanding agility and drive. With guidance from their coach, Mr. Bob Lopez, they gained experience which will be of the utmost value to them as they progress through the ranks of the Junior Varsity and on to the Varsity.

KNEELING, Left to Right: David Shelton, Richard Clark, Mike Ward, Bruce Lawson, Larry O'Brien, Cliff Gore, Richard Riley.
STANDING: Sal Sanchez, Eugene Ponce, Ron Mahoney, Peter Lazzarini, Felix Haro, Mr. Lopez.

With the elimination of a Jr. Varsity for Gymnastics, competition for team spots became even closer than usual. The boys pictured above are the survivors of that competition—the Gymnastics lettermen. Of the 14 boys on the first squad only six are returning. A glance at the lower picture is, however, sufficient to show that we will have little or no trouble filling the squad next year.

This school also owes a word of praise to Mr. Jack Smith, gymnastics coach. This past year, Mr. Smith has been teaching at Diable Valley College. Although he has a full schedule of classes at DVC he was good enough to come here every day during the season and coach our team, again. He is an inspiration to the boys he supervises and a friend of everyone at Pacifica.

ROW ONE, Left to Right: Robin Ruiz, Bill Benet, Basil Lett, Bob Gonzaga, Dick Leonard, Gary Goff. ROW TWO: Bill Lana, Bruce Lawson, Dale Biles, Gale Hatch, John Peerson. Baseball is frequently called the "All-American sport" and Pacifica's team proved this to be true. The players had a great season and under their new coach, Mr. Siino, gained a lot of playing experience. The team had a lot of ability and skill and showed this by winning a good share of their games. There were few spectators at their games but they were a group of which Pacifica could be proud.

JV BASEBALL

KNEELING, Left to Right: Allan Metcalf, Larry Rossetti, Pete Landini, Don Evans, Tony Parma, Mike Ward. STANDING: Ronnie Conn, Bob Hanson, Randy Hanson, Dale Doran, Ronnie Mahoney.

The JV Baseball team was a strong one this year. It had a lot of power and skill. The boys practiced and played long and hard. It was a successful season and many of the team members are eyeing Varsity positions. The team owes a lot to its coach Mr. Walker who did a fine job with the boys.

GOLF

A new sport to Pacifica this year was golf. The team was open to boys who could play or had a good deal of interest. Coach for the team was Mr. LaSan. The boys developed skill and really enjoyed this new sport. It is hoped the team will grow in the years to come. Members of the team are pictured at the right. KNEELING, Left to Right: Gary DeWitt, Jim Peterson, Frank Coon, Dennis Nizzi. STANDING: Coach Frank LaSan, Bob Anderson, Michael Mitchell, Ken Culeman.

TENNIS

The 1963 Tennis Team was a young one. Ten of the players will be coming back to bolster up the squad next year. Mr. William Stephenson provided the boys with able coaching and a most enjoyable season.

KNEELING, L to R: Ray Garrett, Bruce Persons, Peter Dunn, Walter Prater, Roland Coleman. STANDING, L to R: Richard Peterson, Gene Michels, Danny McCarroll, Jack Garrett, Larry Vickers, Larry Welty, Mr. Stephenson. NOT PICTURED: Don Korpi and Gene Sincich.

CROSS COUNTRY

KNEELING, L to R: Horace Ferrante, Dave Barrett, Tony Parma, Larry Rosetti, Ron Sanchez, Steve Atkins. STANDING, L to R: Mr. Walker, Ray Vargas, Joe Scott, Roy Laughlin, Bob Record, Nelson Astle, Hans Schneider.

Cross-Country is another young team with a new coach, Mr. Gil Walker. When arriving at school for a period or around four in the afternoon, the Cross-Country boys can often be seen running across the fields. Most of the team will be back next year to insure the continuance of victories for Pacifica's "fleetfoots."

VARSITY TRACK

KNEELING, Left to Right: Jon Fell, Roy Laughlin, Mike Hartman, Gary Belton, Phil Webb, Willie Mims, Bob Record. ROW TWO: Al Williams, Art Blakeney, Walter Mims, Steve Harvey, Dennis Alumbaugh, Steve Wyatt. STANDING: Robert Price, Keith McCallum, Tim Kopitar, Jim Potter, Len Lamb, Matt Kramer.

The Track and Field Team is one of the most active organizations in the school. "They're off and running," is the take off for our dashers and sprinters. This group works in several joint units. They engage in cross-country meets and field days, where they pole-vault, throw the shot put, run in dashes and various other races. This year we had a strong turn out in team members and effort.

JV TRACK

KNEELING, Left to Right: Jim Rhodes, Albert Madrid, Larry Amerson, Mike Taylor, Horace Ferranti, Chester Dodson, Jim Hicks. ROW TWO: Danny McCarroll, Don Cruz, Randy Cotterman, David Shelton, Stan Aitken, David Barrett, Jesse Valenzuela, Juakin Madrigal. ROW THREE: Hans Schneider, Larry Welty, Larry Skubec, Adrian Lopez, Mike Lopez, Ron Sanchez, Nelson Astle, Ben Simms.

When it comes to basketball, the girls are not to be left out. The Girls' Competitive Basketball Team practiced long and hard this year. The team then traveled to other schools to play other teams. The girls had skill and ability and were a group of which the school could be proud. The girls' team had an excellent coach, Miss Margo Allen who pushed the girls on to their very best.

A sport enjoyed by all the girls is hockey. This year Pacifica had a strong Competitive Hockey Team. The girls developed skill and under the fine coaching of Miss Martha Chase played real tough games. The team traveled all over the area including playing a game at the School for the Blind in Berkeley. This was a rewarding experience for all the girls as were all their games.

SEATED, Left to Right: Vivian Ripalda, Linda Welch, Janet Cosentino, Pat Morgan, Evelyn Camacho. KNEELING: Peggy Dalle, Trudy Lynch, Sally Christiansen, Sarah Villa, Coretta Birdsell, Bette Jo Metcalf, Daria Setencich. STANDING: Mary Baum, Valerie Fisk, Diane Kast, Joyce Green, Claudia Knight, Margaret Withers, Carol Pendergrass.

MODERN DANCE GROUP

The Modern Dance Group is designed to represent Pacifica High School as a performing unit at all appropriate activities and functions. The 1963-64 performances included the Christmas Program, the Physical Education Department Demonstration, Talent Assembly, DVIC Traveling Assembly, and the AFS Fashion Show. For a period of eighteen weeks, the dancers receive advanced instruction in dance technique, choreography, and dance structure. They are given opportunities to demonstrate and assist the instruction of dance in the Physical Education classes, as well as to create dances for production purposes in their after-school meetings.

The Dance Group is open to every class, Freshman through Senior, and members are accepted after a rigorous try-out judged by the sponsoring teacher and group officers. The officers for the 1963-64 season were: Director, Vivian Ripalda; Assistant Director, Collinda Myers; Publicity Director, Margaret Withers. The group is under the excellent instruction of Miss Martha Chase. Pacifica's Dance Group is lucky to have such a talented and artistic instructor.

For six senior girls the Clayton Vallen football game was a special event. Eagerly awaited and long anticipated, it was the night that one of them would become Homecoming Queen for the 1963 Football Season. Paula Stubblefield, 1962 Queen, was present to perform her last duty as Queen. The girls were so happy and excited that they radiated this joy to all who were viewing the spectacle. First to be introduced were the princesses: Gloria Hernandez, Mary Marzotto, Dolly Felix, Carole Wright and Arleen Lazzarini. At last, Theresa Lucero was crowned Pacifica High's 1963-64 Homecoming Queen.
